

Predocctoral Position: Neurobiology of Pain and Inflammation

Are you interested in the fields of Pain and Inflammation? Would you like to pursue a PhD at the Institute of Neuroscience, a dynamic research center with the accreditation “Severo Ochoa Center of Excellence”?

The Neurobiology of Pain and Inflammation Scientific Program (<https://in.umh-csic.es/en/programas/neurobiology-of-pain-inflamation/>) is offering the possibility of engaging in a collaborative project between two research groups of our program. This will be a 4-year contract, in an open call from the Ministry of Science and Innovation.

Eligible candidates are those who are in a position to start the PhD Programme in October 2023.

Interested candidates should submit a cv and a letter of motivation to Dr. Felix Viana, Director of the Neurobiology of Pain and Inflammation Program
